

Unlocking Success:

7 Ways Tekton Billing helps its partners

...with real-life testimonials

Flexibility and Choice

“A refreshingly different billing experience, ZOXY provides me with so much flexibility and choice – I no longer feel hampered by my billing system.”

”

Excellent Support

“Not only is the platform easy to use and designed with the end user in mind, but the support is unmatched. I have not yet discovered an issue that they are not happy to help me fix.”

”

Increased Profitability

“

“Our existing platform was far too rigid and didn't move with the times. Moving to Tekton was a breeze, far greater flexibility which in turn has led to greater profits!”

”

Improved Productivity

“

“Billing is so simple. Edits that would take hours, are now instant. And we have a higher level of control that we didn't have beforehand.”

”

Happy Customers

“

“Huge shout out to Tekton Billing, for making our customers' lives that bit clearer. It's not very often a customer can see live data on their usage and spending for both mobile and landline, in one pane of glass.”

”

Greater Transparency

“

“...a billing portal that knocks the leading industry alternatives out of the water, we can easily keep track of our spending and accurately manage our costs.”

”

One More

Time to Strategise

“

“With the Tekton team behind us, we now have the time to innovate. If channel businesses need to be innovative and scale, Tekton’s an obvious choice.”
